**Тавсиянома**

24 май, 2020 й.

Хурматли хужжат қабул қилувчи қўмита аъзолари

Мен Элдор Хўжаевни 6-синфлигидан биламан, 2016-2020 йиллари Тошкент шаҳридаги 303-умумтаълим мактабида у ўқиган синфга тўрт йил раҳбарлик қилганман. Бизни мактабга келган пайтлари у шўхрок бўлишига қарамай, аниқ фанларни ўрганишга бўлган қизиқиш ва интилиш юқори эди.

Э. Хўжаевнинг синф раҳбари сифатида унинг характери янада яхши билиб олиш учун 1-5 синфларни у ўқиган Тошкент вилояти Зангиота туманидаги 44-умумтаълим мактаби ўқитувчиси, синф раҳбари Мағфират Абдурахмонова, мактаб директори Ўктам Худоёровлар билан Элдор Хўжаев ҳақида бир неча марта суҳбатлашганман, улар Элдор ҳақида ижобий маълумотлар берган.

Ўтган йиллар мобайнида ҳақиқатдан ҳам Элдор Хўжаевнинг илм чанқоқлигига гувоҳ бўлдим. У математика, физика каби аниқ фанларга қизиқади, шу туфайли бўлса керак, аниқ фанларни тез, осон ва мукамал ўзлаштириши билан эътиборга тушди. Элдор Хўжаев 2018-2019 йиллари математика ва физика фанлари бўйича ўтказилган фан олимпиадасининг Тошкент шаҳар босқичларида муваффақиятли иштирок этиб, мактабимиз обрўини кўтаришга катта ҳисса қўшди. Мактаб раҳбарияти томонидан Элдор Хўжаев бир неча марта мақтов ва фахрий ёрлиқлари билан тақдирланган.

У синфдошлари орасида ўзини эркин ҳис қилади. Жамоат ишларида фаол бўлагани, лидерлик салоҳияти юқорилиги туфайли мактабимиздаги “Камалак” болалар ташкилоти сардорилигига сайланган. Бир неча йил давомида синф сардори бўлган. Спортнинг шахмат, сузиш, таэквонда турлари билан шуғулланган.

Элдор Хўжаев синфдошлари сингари мактабимизнинг 9-синфини битириш чоғида Тошкент шаҳридаги бир нечта академик лицейларга ўқишни давом эттириш мақсадида хўжжат топширди. Эътиборли жиҳати шундаки, Э. Хўжаев нечта академик лицейга хужжат топширган бўлса, имтиҳон натижаларига кўра ушбу лицейларнинг барчасига ўқишга қабул қилинди. Ваҳоланки, ана шу - Тошкентдаги Турин политехника университети, Тошкент Молия институти, Тошкент давлат иқтисодиёт университети, Жаҳон иқтисодиёти ва дипломати университетлари қошидаги академик лицейларига Элдор Хўжаевнинг бир неча нафар синфдошлари ўқишга кира олмади.

Элдор Хўжаев улар орасидан Жаҳон иқтисодиёти ва дипломати университети қошидаги академик лицейни танлади. Мен ўзига хос истеъдодга эга Элдор Хўжаевни нафақат ушбу лицейда аъло баҳоларга ўқиб, ўзини ҳар жиҳатдан кўрсатишига, балки таълимнинг кейинги босқичларида ҳам юқори натижаларга эришишига ишонаман.

Ўқувчимиз ҳақида қўшимча саволларингиз бўлса жавоб беришга доимо тайёрман.

Хурмат билан,

**Бакирова Гуллола Зиядиллаевна**

**Recommendation**

May 24, 2020.

Distinguished members of the Admissions Committee

I have known Eldor Khujaev since the 6<sup>th</sup> grade, and in 2016-2020 I was the head of the class he studied at the general secondary school No.303 in Tashkent for four years. When he came to school, he was very enthusiastic and eager to learn the exact sciences, despite the fact that he was playful.

In order to get to know E.Khujaev's character as a class teacher, I talked to Magfirat Abdurakhmanova, a teacher of the general secondary school No.44 in Zangiota district of Tashkent region, where he studied grades 1-5, and Uktam Khudoyorov, the school principal, they gave positive information about Eldor.

Over the years, I have really witnessed Eldor Khujaev's thirst for knowledge. He was interested in the exact sciences, such as mathematics and physics, which is probably why he became known for his quick, easy, and perfect mastery of the exact sciences. Eldor Khujaev successfully participated in the Tashkent city stages of the Science Olympiad in Mathematics and Physics in 2018-2019 and made a significant contribution to raising the prestige of our school. Eldor Khujaev has been repeatedly awarded certificates of honor and honorary titles by the school administration.

He feels free among his classmates. Due to his active participation in public affairs and high leadership potential, he was elected leader of the children's organization "Kamalak" at our school. He was a class leader for several years. He was involved in chess, swimming and taekwondo.

Like his classmates, Eldor Khujaev, after graduating from the 9th grade of our school, applied to continue his studies at several academic lyceums in Tashkent. It is noteworthy that E.Khujaev applied to several academic lyceums, and according to the results of the exam, he was admitted to all of these lyceums. However, several of Eldor Khujaev's classmates were not able to enter the academic lyceums of the Turin Polytechnic University in Tashkent, the Tashkent Financial Institute, the Tashkent State University of Economics, the University of World Economy and Diplomacy.

Eldor Khujaev chose the academic lyceum under the University of World Economy and Diplomacy. I am confident that Eldor Khujaev, who has a unique talent, will not only study at this lyceum with excellent grades and show himself in all respects, but also achieve high results in the later stages of education.

I am always ready to answer any additional questions you may have about our student.

Sincerely,

**Bakirova Gullola Ziyadullaevna** /signed/
