

## Тавсиянома

Ҳақиқатдан ҳам Элдор Хўжаев 2020 йилдан бери бизнинг Жаҳон иқтисодиёти ва дипломатия университети қошидаги академик лицейида таълим олмоқда. Ўқиш давомида эса қоларли даражада ўзини номоён этди. У одоби, босик ва сабрлилиги, ўзини тутиши, ташаббускорлиги билан ўқувчилар орасида ажралиб турарди.

Ўтган икки йил давомида ўзига хос характери, илм олишга бўлган иштиёқи, муомала маданияти билан барчани бирдек кўнглидан алоҳида жой олди, дея бемалол айта оламан. Лицейда ўқишни бошлаган пайтлари Элдор Хўжаевнинг бу каби ижобий хислат ва фазилатларини сезган гуруҳдош ўқувчилари уни 2020 ўқув йили бошидан гуруҳга сардор сифатида сайлашган. Сардор сифати билдирилган ишончни ҳар жиҳатдан оқлаб келаётган Элдор Хўжаев 2020 йили лицей “ўқувчилари уюшмаси”га асос солган. Академик лицейимиз гуруҳлари сардорларини бирлаштирган мазкур уюшма ишида етакчилик қилиб, лицейда турли маданий-маърифий тадбирлар, спорт мусобақалари ташкил этилишига катта ҳисса қўшиб келмоқда.

2020 йили “Covid-19” инфекцияси тарқалишини олдини олиш мақсадида жорий этилган карантин даврида ҳам Элдор Хўжаев илм олишдан, билимини бойитиш ва мустаҳкамлашдан тўхтамади. Онлайн ўтказилган дарсларда фаол иштирок этиб, физика фанидан лицей ўқувчилари ўртасида ташкил этилган олимпиадада муваффақиятли катнашди. Бундан ташқари, Тошкент шаҳридаги академик лицейлар ўртасида математика фани бўйича ўтказилган олимпиадада лицейимиз шарафини муносиб ҳимоя қилди.

Дарсларда фаол катнашиб, курсдошларига ҳар жиҳатдан ўрнатиб келаётган Элдор Хўжаев кўпроқ ахборот технологиялари соҳасига кизиқади. Лицейда ўқиш билан бирга унинг IT соҳасига оид қўшимча тренинг курслари ва “мастер-класс” дарсларида иштирок этгани ҳам фикримизни тасдиқлайди. У “Бир миллион ўзбек дастурчи” лойиҳасида фаол иштирок этган.

Берилган топшириқларни ўз вақтида мукамал бажарадиган Элдор Хўжаевнинг ўзига бўлган ишончи юқорилиги, дунёқараши кенглиги, ўз мақсад ва режаларини содда қилиб тушунтириб бера олиши эътиборга молик.

Э. Хўжаев мақсадига етиш учун ҳар қандай қийинчиликларни енгиб ўтиши, ўзи танлаган йўналиш бўйича хориж давлатида таълим олиш, қолаверса, у келажакда ўқиши мумкин бўлган чет эл университети билан ҳамкорликда кашфиётлар қилиш режалари борлиги ҳақида гапириб берганди. Шогирдимнинг ўз олдига бундай улкан ва аниқ мақсадлар қўяётгани мени қувонтиради. Унинг келажакда ахборот технологиялари соҳасининг етук мутахассиси бўлиши ҳамда IT соҳаси тараққиётига катта ҳисса қўшишига ишончим комил.

Элдор Хўжаев ҳақида қуйидаги электрон манзилга истаган пайтингизда савол йўллашингиз мумкин.

Эхтиром ила,

Шералиева Фируза Баҳодировна

### Recommendation

Indeed, Eldor Khujaev has been studying at our academic lyceum at the University of World Economy and Diplomacy since 2020. During the studies, he showed himself in a memorable way. He stood out among the students for his politeness, calmness and patience, his demeanor, his initiative.

For the past two years, I can easily say that he has a special place in everyone's heart with his unique character, passion for learning, and culture of communication. Eldor Khujaev's group of students, who noticed such positive qualities in him when he started high school, elected him as the leader of the group from the beginning of the 2020 academic year. Eldor Khujaev, who has always justified the confidence in him as a leader, founded the lyceum "Students' Union" in 2020. Leading the work of this association, which unites the leaders of the groups of our academic lyceum, makes a significant contribution to the organization of various cultural and educational events, sports competitions in the lyceum.

During the quarantine period, which was introduced in 2020 to prevent the spread of Covid-19 infection, Eldor Khujaev did not stop learning, enriching and strengthening his knowledge. He took an active part in online classes and successfully participated in the Olympiad in physics among high school students. In addition, he deservedly defended the honor of our lyceum in the Olympiad in mathematics among academic lyceums in Tashkent.

Eldor Khujaev, who actively participates in classes and sets an example for his classmates, is more interested in the field of information technology. In addition to studying in high school, his participation in additional training courses and master classes in the field of IT confirms our opinion. He took an active part in the "One million Uzbek Programmers" project.

It is noteworthy that Eldor Khujaev, who perfectly completes the tasks in a timely manner, has a high level of self-confidence, a broad outlook, and is able to simply explain his goals and plans.

E. Khujaev said that he would overcome any difficulties to achieve his goal, study in a foreign country in his chosen field, as well as plans to make discoveries in collaboration with a foreign university, where he could study in the future. It makes me happy that my student is setting such huge and clear goals for himself. I am confident that in the future he will become a leading specialist in the field of information technology and make a significant contribution to the development of the IT industry.

You can send a question about Eldor Khujaev to the following e-mail address at any time.

Sincerely,

Sheralieva Firuza Bahodirovna
